

LEARNING THROUGH THEATRE

Commedia dell'Arte, Mask and Physical Theatre Workshops

Enquiry: Play + Workshop

Thank you for your enquiry. The play, *The Breath of True Love*, is 30 minutes long. The show naturally leads into a workshop that is tailored, in terms of content and duration, to suit the training needs of your group.

Our Requirements:

- a performance space that is a minimum of 4 metres x 4 metres;
- floor area to perform on, rather than a raised stage, so that we can have close interaction with the audience;
- access to the performance space at least 30 minutes before the performance in order to set up;
- no specific lighting required. A generic cover would be beneficial, if available, but not essential;
- no sound requirements;
- we need a minimum of 10 minutes turnaround before going into the workshop;
